

Pets in your home

Your lease will usually require our written consent before you may keep a pet in your apartment.

In order for us to give consent we will need written request including the name and breed of the animal, a photograph, and a cheque for £78.00 made payable to Hazelvine Ltd.

Any consent given will be subject to revocation at any time. This may happen in the event that we receive a written complaint from any other resident about the keeping of the animal including (but not limited to) the fouling of any communal areas, running free in the grounds, barking during the day or night, chewing up or similar damage to communal areas or other behaviour causing a nuisance to another resident.

If you have any questions please call 01628 529765 or email info@hazelvine.com

Yours sincerely
